Who draws the crowd and plays so loud, baby it's the  
guitar man  
Who's gonna steal the show, you know baby it's the  
guitar man  
He can make you love, he can make you cry  
He will bring you down then he'll get you high  
Somethin' keeps him goin' miles and miles a day  
To find another place to play.

Night after night who treats you right, baby it's the  
guitar man  
Who's on the radio, you go listen to the guitar man  
Then he comes to town and you see his face  
And you think you might like to take his place  
Somethin' keeps him driftin' miles and miles away  
Searchin' for the songs to play.

Then you listen to the music and you like to stay along  
You want to get the meaning out of each and every  
song  
Then you find yourself a message and some words  
To call your own and take them home.

He can make you love, he can get you high  
He will bring you down then he'll make you cry  
Somethin' keeps him movin' but no one seems to know  
What it is that makes him go.

Then the lights begin to flicker and the sound is getting  
dim  
The voice begins to falter and the crowds are getting  
thin  
But he never seems to notice he's just got to find  
Another place to play, Anyway Got to play, anyway Got  
to play.
