I love you, I love you

You say that you love me  
We both know  
You don't mean it everyday  
Somehow you got me  
So I put up with anything you say

Because I love you  
Because I love you

I'd rather be with you, whenever  
Than without you all the time  
And I will forgive you, whatever  
Just to say that you were mine

Because I love you  
Because I love you  
Because I love you  
Because I love you

I love you  
Do you love me?  
When tomorrow comes  
I guess we'll see  
When I push in  
You pull out  
But you still need me

Yes I do, yes I do, yes I do now  
Yes I do, yes I do, yes I do now

Because I love you (Yes I do, yes I do, yes I do now)  
Because I love you (Yes I do, yes I do, yes I do now)  
Because I love you (Yes I do, yes I do, yes I do now)  
Because I love you (Yes I do, yes I do, yes I do now)
