New Life Brought Into A Plague Infested World  
Nuclear Reformation, Infant Deformation

Mother Of Disease Spawns A Child Of Sickness  
Radiation Life Brought By Global Hatred

Born Into Oblivion  
World Alteration  
Born Into Oblivion  
New Born Mutation

Infant Sickness, Infant Sickness

Melting Skin Seeps Toxic Pus  
Polluted Particles In Your Guts

Breathing In Environmental Rot  
As You Choke On Green Blot Clot

Constant Suffering, Deformed Humanity  
No More Normality, Just Your Insanity

Suffering From This Massive Pain  
Nuclear Ozone And Acid Rain  
Drooling From Your Orifice Mess  
As Your Baby Grows Grotesque

Infant Sickness, Infant Sickness
