### "Cry For You"

I never had to say goodbye  
You must have known I wouldn't stay  
While you were talking about our life  
You killed the beauty of our today

Forever and ever  
Life is now or never  
Forever never comes around

(Music)

You never heard me break your heart  
You didn't wake up when we died  
Since I was lonely from the start  
I think the end is mine to write

Forever and ever  
Life is now or never  
Forever never comes around  
People love and let go  
Forever and ever  
Life is now or never  
Forever's gonna slow you down

You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do  
You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do

(Na na na na na, na na na na na na na na X2)

I never had to say goodbye  
You must have known I wouldn't stay  
While you were talking about our life  
You killed the beauty of our today

Forever and ever

Life is now or never  
Forever never comes around  
People love and let go  
Forever and ever  
Life is now or never  
Forever's gonna slow you down

You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do  
You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do

Forever and ever  
Life is now or never  
Forever never comes around  
Forever and ever  
Life is now or never  
Forever's gonna slow you down

You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do  
You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do

Forever and ever  
Life is now or never  
Forever never comes around
