Bodies Brought Into A Room  
Where They Will Be Dissected  
A Rancid Stench Within These Walls  
Of Carnal Mutilation  
Corpses Lie On The Table  
Organs Ripped In Two  
Morticians Feasting On Intestines  
Cadavers Swollen And Blue

Chewing Through Their Bladders  
Appendix Now Exposed

Decapitating Corpses  
Devouring Their Souls  
Vaginas Soaked With Pus  
Slicing Through Their Wombs  
Reaching In The Rectum  
Desecrating Tombs

Body Parts Hang From The Ceiling  
Blood Is Dripping To The Floor  
Dismembered Stiffs No More Innards  
Lying In A Pile Of Gore
