Remain  
Unchained  
I stand  
Here before you now  
No more  
Regrets  
I'm here

I won't be the one (I will be there)  
To leave you all alone (I hear your call)  
To drown in yourself (I won't leave here)  
A place to call your own (leave you alone)

Now come on home  
Now come on home

Call out  
My name  
My strength  
Will change your dark to light  
Wake up  
Don't sleep  
I'm here

I won't be the one (I will be there)  
To leave you all alone (I hear your call)  
To drown in yourself (I won't leave here)  
A place to call your own (Leave you alone)

Now come on home  
Now come on home

Don't lose your faith  
Don't come undone  
All I have to say  
Is that (I won't be the one)

I won't be the one (I will be there)  
To leave you all alone (I hear your call)  
To drown in yourself (I won't leave here)  
A place to call your own (Leave you alone)

Now come on home  
Now come on home
