

September Mourning "Fallen"

Visit "[Fallen](#)" on MotoLyrics.com

Here you come
With skies of grey
With stars that burn the tears away
Another night it slips away
Welcome my light to break
The dark inside you

For anyone who's ever
Fallen
Fallen
Don't slip under now
Can't you hear me calling out?
You've fallen
Fallen
We'll rise up again
Cause the day is coming

Here you stand
You've stood here before
Dressed up in battle scars of war
What have you done?
What you've become
Give me your reasons
My strength will guide you home

For anyone who's ever...
Fallen
Fallen
Don't slip under now
Can't you hear me calling out?
You've fallen
Fallen
We'll rise up again
Cause the day is coming
When every soul upon the land will rise again

For every day
For every night
For every time
You crucified love
You crucify love

You've
Fallen
Fallen
Don't slip under now
Can't you hear me calling out?
You've fallen
Fallen
We'll rise up again
Cause the day is coming
When every soul upon the land will rise
