I woke up and tried to find my peace of mind
And I found you, like a harsh strange wind
Holding me back, and telling me everything will be
alright
Telling me it's time to change

Like a hurricane, spinning around
And I'll find the ground
When it all falls down
Like a hurricane, spinning around
And I'll find the ground
When it all falls down
Like a hurricane

So let me go, no one knows
I'm walking away, I'm leaving today
I'm through
And I'm not scared
I'm just afraid
And I'll do this again, I'll make a mistake

Like a hurricane, spinning around
And I'll find the ground
When it all falls down
Like a hurricane, spinning around
And I'll find the ground
When it falls down
Like a hurricane
