I've been waiting around, on you
Still don't know why I'm here
It's like I'm waiting on an angel to come around
Been waiting around, on you
Still don't know why I'm here
It's like I'm waiting on an angel to come around

Say you do or say you don't
Tell me not to leave and I won't
Baby, seein is believin
So open up my eyes (open up my eyes)
Say you will or say you won't
Doin all the things you said I don't do
But I'm havin trouble breathin, on the ground
On the ground

It's been a year and two months
Since all of this happened to us
And I'm still trying to figure it out in my mind
It's been a year and two months
Since all of this happened to us
But I'm still trying to figure it out in my mind

Say you do or say you don't
Tell me not to leave and I won't
Baby, seein is believin
So open up my eyes (open up my eyes)
Say you will or say you won't
Doin all the things you said I don't do
But I'm havin trouble breathin, on the ground
On the ground

And I never knew it meant so much to you
If I'd known I'd have done this long ago
And I wish, I could go to the place we used to be
And restore the old you and me

Say you do or say you don't
Tell me not to leave and I won't
Baby, seein is believin
So open up my eyes (open up my eyes)
Say you will or say you won't

I'm Doin all the things you said I don't do
But I'm havin trouble breathin, on the ground
On the ground

On the ground
On the ground
