Yeahhhhhhhh (la la la la da, la la la la da, la la la la,  
dah dah)

Yeahhh (la la la la da)

(La la la la da)

(La la la la)

(Dah dah)

So tell me what you're thinkin

Cause I wanna know what's on your mind

Baby I'm still breathin,

And I'm breathin slower all the time

And you say you're leavin

But you don't know why

So, please don't leave right now

Cause I don't wanna be, alone tonight

And next time you come back down

To this town

Don't be surprised if I'm not hangin,

Around, cause lately I have found

That with both feet on the ground

I am losin my mind

With you it's

One day at a time

It's One day at a time

So now I'm comin over

Cause I got a few things on my mind

Airs getting colder

So don't just leave me here outside

I'm gettin older

We're both gettin older all the time

Lay down on my shoulder

Just don't, leave me alone tonight

Next time you come back down

To this town

Don't be surprised if I'm not hangin,

Around, cause lately I have found

That with both feet on the ground

I am losin my mind

With you it's one day at a time

You got your plans and I've got mine  
And I say we've got nothin but time  
Time to laugh, and time to cry  
Through it all you were  
Right here by my side

Next time you come back down  
To this town  
Don't be surprised if I'm not hangin,  
Around, cause lately I have found  
That with both feet on the ground  
I am losin my mind  
With you it's one day at a time

(La la la la da, la la la la da)  
Yeahhhhhhhh (la la la la, dah dah)  
Yeahhh (la la la la da)  
(La la la la da)  
(La la la la)  
(Dah dah)

It's one day at a time.
