How to be thankful when there's a bank full of oil and
gold and food
Countries for breakfast, this is the genius of our world
ending soon
Taking stages of all ages, I'll make a man out of you
Necklace of aching, bone and back breaking
Sores on all your clouds and a series of soundbites
proving you're alright,
Mental and socially loud.
Taking stages of all ages, I'll make a man out of you
Thinking's over, I'm the re-arranger, I'll make a friend
out of you, you're a stranger
Thinking's over, I'm the re-arranger, gotta try and get it
all new, you're a stranger
Mountains of pressure for your own leisure, making
sure you're down
This will dilute me and all but dispute these things and
problems I've found
Taking stages of all ages I'll make a man out of you....
