[Intro:]

Empress... be mine (be mine)

Empress... be mine (be mine)

My one and only

Love when she hold me

The things she told me

Please be my...

[Chorus: x2]

Empress

Soley mine

Love at last

Glad she's mine

Give her all my time

One of her kind

[Verse 1:]

She's the perfect one for me

I'm not hunting

She work me, she don't do the bunting

Caz she's me everything

Let me tell you something

She love me for me

She love me for real

Guardian angel

She's me shield

Let me tell you how I feel...

Damn I'm speechless

[Chorus: x2]

Empress

Soley mine

Love at last

Glad she's mine

Give her all my time

One of her kind

[Verse 2:]

She give me all I want and more

Cortios, heart clean and pure

I must be dreaming

True love revealing
She was born for me
That's why she's drawn to me
Sent from heaven
She's all to me
Beautiful, every man want a touch
But she's my...

[Chorus: x2]

Empress
Soley mine
Love at last
Glad she's mine
Give her all my time
One of her kind

[Bridge:]

Empress... be mine (be mine)
Empress... be mine (be mine)
My one and only
Love when she hold me
The things she told me
Please be my...

[Chorus: x2]

Empress
Soley mine
Love at last
Glad she's mine
Give her all my time
One of her kind
