Keep it away, don't let it stay,  
Hold it always  
If you want me here not bad trick around, I'll come  
If your gonna change your tactic, and leave me some  
Keep it away, don't let it stay  
Hold me always  
If you think about me, mention I'll take a fall  
If you have a tragedy, attentions nothing at all  
Keep it away, don't let it stay  
Hold it always  
If you put my come back to far don't .....  
If you take it interest far back make me wait  
Keep it away, don't let it stay  
Hold me always  
If you have a great man, far hand length of mine  
If you have a poor man great time make it mine  
If you want me here, not magic length of gone  
If you take the tragic .....
