[INTRO & CHORUS:]

My mama she don't worry no more, they try to build me  
up, they can't

Take me down(let's settle), in this time and in this city I  
gotta make

That money because di mama still hungry, mama still  
hungry, I'm gonna

Be a dad it ain't no baby, take care of my baby, mama  
mama still hungry

Mama still hungry

[VERSE 1:]

I was in the band when I faced my real struggle

Made friends watch me sank in a deep fortune cut  
down yuh buying

And me see dem from inside, me try to keep it down  
prolong my ride

I got a little success and they start this money grabbing  
say where

We come from and what they should be having,  
cunning and sly ignore

Their own pride, they leave you dry before you fly

[CHORUS:]

But it's my destiny

To use my god made destiny, to fulfill my chorus, for  
us, no sake of

Health keep mi focus, for these times in this city, gotta  
make that

Money, because di mama still hungry, mama still  
hungry, I'm gonna be

A dad it ain't no baby, take care of my baby, mama still  
hungry, mama

Still hungry

[VERSE 2:]

Complacency is adjacent, to vagrancy, presently, no  
latency, no

Limit pass the sky just vacancy, mama feel the pain but  
she always

Vary, sometimes I even wish she could carry, but it's

time to relieve  
This stress my mama deserve the best

[OUTRO:]

God made destiny, to fulfill my chorus, for us, no sake  
of health keep  
Mi focus, for this time in this city gotta make that  
money, because  
Di mama still hungry, mama still hungry, I'm gonna be  
a dad it ain't  
No baby, take care of my baby, mama still hungry,
