Ooh ooh ooh
She heals a wound
An open wound
She heals a wound
An open wound

She fills a void
She fills an empty void
She fills a void
An empty void

Go on help me
Come make me pay
Come on my dear
It fills an open sphere
And all it comes to is
One more way
(one more way)
One more way
(one more way)

She heals a wound
An open wound
She heals a wound
An open wound

She fills a void
She fills an empty void
She fills a void
An empty void

Celebrity cross to bear
It doesn't make it fair
Come on my dear
It fills an open sphere
And all it comes to is
One more way
(one more way)
One more way
(one more way)

Ooh oooooh ooh

On me
Wanna make me pay?
Love growing hate
Wonder what we say?
Celebrity cross to bear
It doesn't make it fair
Come on my dear
It fills an open sphere
And all it comes to you, dear
One more way
(one more way)
One more way
(one more way)
