Everywhere I go they find me
Hypocrites and badminds
Every, every, every, every

Everywhere I Go

Hypocrites and badminds
Every every every every

Everywhere I Go they find me
Backstabbers and parasites

[Chorus:]

Some some somebody tell me what
They want from me
Me say ya can't study people
Dem same people a study bare evil
But good ova evil me see say dem feeble
I'm fighting for a cause a mi them can't pause
Yeah me say ya can't study people
