Calling your name  
Calling your name  
How did this happen?

I'm losing my way  
You can go insane, I don't understand it, no  
The water runs deep, and it's taken me  
It's taken me so far away  
Walls caving in, I'm giving in  
Cause they taking it all away

I can't stop this now, no  
Cause my world revolves 'round you  
My defense is down, yeah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart

Baby it's you, baby it's you  
You got me hopeless  
I'm losing my grip, what can I do  
You know I can't focus, no  
The water runs deep, and it's taken me  
It's taken me so far away  
Walls caving in, I'm giving in  
Cause they taking it all away

I can't stop this now, no  
Cause my world revolves 'round you  
My defense is down, yeah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart

I know it's hard, I felt the pain  
Let's take a chance and start again  
I'm really deep, I'm calling out

Oh can't you hear, hear me now?  
Don't break my heart!  
Don't break my heart!

I can't stop this now, noo  
Cause my world revolves 'round you  
My defense is down, yeah  
And there's nothing I can do

So Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart  
Don't Go Breaking My Heart
