I know
I put you to the test again
Like so many times before
You're starting to lose your faith in me

I know
It's time for me to start to show
I'm not gonna let you go
We're not going down
Just take a good look in my eyes

I live my life for love
I try to get it right and still somehow
I always end up
Breakin' up and hurtin' someone down the line

But I don't know why
'Cause you're everything in my life
And I can't go on
Without having you by my side

So please don't go away

I know
You say that I'm so far away
But my love is complete, right here
No matter what I put you through

And I know it's time for me to start to show
I'm not gonna let you go
I gave you my soul
Just take a good look in my eyes

I live my life for love
I try to get it right and still somehow
I always end up
Breakin' up and hurtin' someone down the line

But I don't know why
'Cause you're everything in my life
And I can't go on
Without having you by my side

If we end it now
There's no reason to carry on
So please don't go...

It's time to say goodbye
To the crazy things I've done
I got to put it all behind
'Cause I live my life alone

Listen to me when I say
Hey, I live my life alone
Listen to me when I say
I'm not gonna let you go
We're not going down
Just take a good look in my eyes

I live my life for love
I try to get it right and still somehow
I always end up
Breakin' up and hurtin' someone down the line

But I don't know why
'Cause you're everything in my life
And I can't go on
Without having you by my side

If we end it now
There's no reason to carry on
So please don't go...
Please don't go away
