Like A Lightning Storm From
Out Of The Blue
You Made Them Believe
You Came From Up Above
Like A Symphony Everywhere You Are
Ringing Out For You And Your Paradise

Yeah It's You Up There
Hope You're Not
Scared Of Heights

You're Like God
You're Like God
But Don't You Feel Alone
You're Like God
You're Like God
But Don't You Feel Alone

When You're In The Light
People Come Alive
Don't You Need Some Reality
When They Call Your Name
Do You Realize
That You Got What They're Longing For

Yeah It's You Up There
Hope You're Not
Scared Of Heights

You're Like God
You're Like God
But Don't You Feel Alone
You're Like God
You're Like God
But Don't You Feel Alone

Angels Cry When You're Up That
High And Wave Goodbye
When You Come Down There Is
No More Light

You're Like God
You're Like God
But Don't You Feel Alone
You're Like God

You're Like God
But Don't You Feel Alone
You're Like God
You're Like God
But Don't You Feel Alone
You're Like God
You're Like God
But Don't You Feel Alone
Don't You Feel Alone
