We had the right love at the wrong time
Guess I always knew inside I wouldn't have you for a long time
Those dreams of yours are shining on distant shores
And if they're calling you away I have no right to make you stay

But somewhere down the road our roads are gonna cross again
It doesn't really matter when
But somewhere down the road I know that heart of yours
Will come to see that you belong with me

Sometimes goodbyes are not forever
It doesn't matter if you're gone, I still believe in us together
I understand more than you think I can
You have to go out on your own so you can find your way back home

But somewhere down the road our roads are gonna cross again
It doesn't really matter when
But somewhere down the road I know that heart of yours
Will come to see that you belong with me

Letting go is just another way to say
I'll always love you, oh

We had the right love at the wrong time
Maybe we've only just begun
Maybe the best is yet to come, woah

'Cause somewhere down the road our roads are gonna cross again
It doesn't really matter when
But somewhere down the road I know that heart of yours
Will come to see that you belong with me
