First when there's nothing but a slow glowing dream  
That your fear seems to hide deep inside your mind  
All alone I have cried silent tears full of pride  
In a world made of steel, made of stone

Well I hear the music, close my eyes, feel the rhythm  
Wrap around, take a hold of my heart

What a feeling, beats believing  
I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive, now I'm dancing through your life

Now I hear the music, close my eyes, I am rhythm  
In a flash it takes hold of my heart

What a feeling, beats believing  
I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive, now I'm dancing through my life

What a feeling

What a feeling (I am music now)  
Beats believing (I am rhythm now)  
I can have it all, now I'm dancing through your life

What a feeling (I can really have it all)  
What a feeling (Pictures come alive when I call)  
Pictures come alive, pictures come alive (I can really have it all)  
Oh, what a feeling yeah (Pictures come alive when I call)
