Baby, I'm-a want you
Baby, I'm-a need you
You the only one I care enough to hurt about
Maybe I'm-a crazy
But I just can't live without

Your loving and affection
Giving me direction
Like a guiding light to help me
Through my darkest hour

Lately I'm a-praying
That you'll always be a-staying beside me
Used to be my life was just emotions passing by
Feeling all the while and never really knowing why
(Then you came along and made me laugh
And made me cry...
You taught me why...)

Baby, I'm-a want you
Baby, I'm-a need you

Oh, it took so long to find you, baby
