Who draws the crowd and plays so loud, baby it's the
guitar man
Who's gonna steal the show, you know baby it's the
guitar man
He can make you love, he can make you cry
He will bring you down then he'll get you high
Somethin' keeps him goin' miles and miles a day
To find another place to play.

Night after night who treats you right, baby it's the
guitar man
Who's on the radio, you go listen to the guitar man
Then he comes to town and you see his face
And you think you might like to take his place
Somethin' keeps him driftin' miles and miles away
Searchin' for the songs to play.

Then you listen to the music and you like to stay along
You want to get the meaning out of each and every
song
Then you find yourself a message and some words
To call your own and take them home.

He can make you love, he can get you high
He will bring you down then he'll make you cry
Somethin' keeps him movin' but no one seems to know
What it is that makes him go.

Then the lights begin to flicker and the sound is getting
dim
The voice begins to falter and the crowds are getting
thin
But he never seems to notice he's just got to find
Another place to play, Anyway Got to play, anyway Got
to play.
