He don't, he don't know how to love you
Ain't no way he's gonna satisfy
'Cause he can't keep up with you like I can
All he'll give you is his alibi...

He ain't much, I've seen him too
Ain't no way that man is right for you
I don't see why you let him on through
No, no not after what you're used to

I ain't sayin' I'm the best around
But if there's better yet he ain't been found
Sure I'm cocky and yes I'm hot, 'cause
I got everything he ain't got and he don't...

He don't, he don't know how to love you
Ain't no way he's gonna satisfy
He can't keep up with you like I can
All he'll give you is some alibi
Now I know love is partly talk about
And maybe he can really scream and shout
But when it's over and the talk's all
through
Let's see him try to thrill ya like I do-
there's no way

He don't, he don't know how to love you
Ain't no way he's gonna satisfy
'Cause he can't keep up with you like I can
All he'll give you is his alibi.
