If I seem impatient
Pardon me
Someone's in the way of
Our destiny

I don't know how long you'll be
If or when you'll be set free
If you can hold out, I can too
I will wait for you

I will wait if it takes forever
As long as you want me to
In this life or the next one after
I will wait for you

Times are wasting
Let's get eye to eye
Does he make you happy?
Can he satisfy?

I don't know how long he'll be
If or when you're gonna set him free
If you can hold out I can too

I will wait for you

I will wait if it takes forever
As long as you want me to
In this life or the next one after
I will wait for you

I will wait till the twelfth of never
If that's what I have to do
In this life or the next one after
I will wait for you

I will wait for you
(I will wait for you)
I will wait
(I will wait for you)

I will wait, I will wait for you

I will wait, I am gonna for you
I will wait, I will wait for you
I will wait, I am gonna for you
I will wait
