Slip in through a hole
Where the moon don't shine
Spent too long trying
To make you mine

Kept on running
But I fell behind
Butterfly, better fly
Away this time

Lost my place
In line again
Put it back on the shelf
And let the dust settle in

I always thought that
We'd be more than friends
I always thought that
We were different

Oh, oh, oh, oh

I'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right

I'm all for love
I'm gonna try it again
I don't wanna give up
'Cause I'm all for love

Nobody knows where
The hell I've been
Gonna make a fool
Of myself again

Keep on getting stuck up
In the same old scene
Baby, why'd you have to go
And be so mean?

Oh, oh, oh, oh,

I'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right

I'm all for love
And I'll try it again
I don't wanna give up
'Cause I'm all for love

I don't believe in
Praying on my knees
Just let me lay
I'm over the fantasy

I'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right

I'm all for love
And I'll try it again
I don't wanna give up
I don't wanna give in

But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right

I'm all for love
And I'll try it again
I don't wanna give up
'Cause I'm all for love
