Thought he was the one  
who could pull you out of love  
with someone who didn't care  
with someone who didn't notice you.  
Next time will be different.

How do you expect him  
to tell you like it is  
when you're living in the middle  
of somebody else's business.  
How can he forget it?

Stumbling over you  
caught in the firing line  
there's nothing I wouldn't do  
to turn back the hands of time  
Stumbling over you  
caught in the firing line  
There's nothing I wouldn't do  
to leave it all behind.

sitting here alone and  
climbing up the walls  
I've been staring at the phone  
and nobody is calling  
Oh how did I let it

take over my life and  
take over my love  
I've been walking round in circles  
like a child that never grows up  
Oh when will I get it

Stumbling over you

caught in the firing line  
there's nothing I wouldn't do  
to turn back the hands of time

stumbling over you  
caught in the firing line  
there's nothing I wouldnt' do

to leave it all behind

crossing my fingers and  
crossing the lines  
knew you were too good to be true  
I can see perfectly  
from the corner of my eye  
I never belonged to you

stumbling over you  
caught in the firing line  
there's nothing I wouldn't do  
to turn back the hands of time

stumbling over you  
caught in the firing line  
there's nothing I wouldn't do  
to turn back the hands of time

stumbling over you  
caught in the firing line  
there's nothing I wouldn't do  
to leave it all behind
