Thought he was the one who could pull you out of love
With someone who didn't care, with someone who
didn't notice
Ooh, next time'll be different

How do you expect him to tell you like it is
When you're living in the middle of somebody else's
business
How can he forget it

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To turn back the hands of time

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To leave it all behind

Sitting here alone, climbing up the walls
I've been staring at the phone, but nobody is calling
Whoa how did I let it

Take over my life and take over my love
I've been walking around in circles like a child that
never grows up
Whoa when will I get it

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To turn back the hands of time

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To leave it all behind

Crossing my fingers and crossing the lines
Knew you are too good to be true
I can see perfectly from the corner of my eye

I never belonged to you

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To turn back the hands of time

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To turn back the hands of time

Stumbling over you
Caught in the fire in line
There's nothing I wouldn't do
To leave it all behind
