Wish you would've told me,
While I was young.
When I had space to fill,
And someone to become.

Oh, oh.

Cause darlin' I'm beside myself,
And I don't think that you
Know which of me,
You are talkin' to.

I'm tired of tryin' to make it up to you,
Sweeping the ashes and hidin' truth.
I'm tired of pretending everything's alright.
Let me feel, let me feel what I'm feeling tonight.

OooOoooOoooh oh.

Wish you would've warned me,
Before today.
But you had fallen out;
Your love had gone away.

Oh, oh.

Cause darlin' I'm beside myself,
And I don't think that you
Know which of me,
You are talkin' to.

I'm tired of tryin' to make it up to you,
Sweeping the ashes and hiding truth.
I'm tired of pretending everything's alright.
Let me feel, let me feel what I'm feeling tonight.

OooOoooOoooh oh.
Ooh ooh ooh ooh...
OooOoooOoooh oh.
Ooh ooh ooh ooh...

Wish I coulda stopped you, before you left.

Was a lesson that you left behind instead.

Oh, oh.

I guess I was beside myself,
And didn't know that you
Knew which one of me
You were talkin' to.

I'm tired of tryin' to make it up to you,
Sweeping the ashes and hidin' truth.
I'm tired of pretending everything's alright.
Takin' the easy way out every time.
I'm tired of tryin' to make it up to you,
Sweeping the ashes and hiding truth.
I'm tired of pretending everything's alright.
Let me feel, let me feel,
Let me feel, let me feel,
Let me feel, let me feel,
What I'm feeling tonight.
