I told you in a whispered song  
the one I cut my finger on  
the blood to me it does belong  
honey it's happening again

you said you'd keep my secret  
as long as you could keep it  
locked away, there's hell to pay  
honey it's happening again

oh I am a happy woman  
you told so many lies that I believed  
oh I am a happy woman  
come on and lie on me

I told you in a whispered song  
loving dies when summers gone  
(?)as you told me nothings wrong(?)  
honey it's happening again

you said you'd keep my secret  
oh hold me liek you mean it  
locked away theres hell to pay  
honey its happening again

oh I am a happy woman  
told so many lies that I believed  
oh I am a happy woman  
come on lie on me

oh I believe in love  
love it said to say  
never crossed my heart  
cause it will stay that way

oh I am a happy woman  
you told so many lies that I believed  
oh I am a happy woman  
come on and lie on me

told you in a whispered song  
the one I cut my finger on

the blood to me it does belong  
honey it's happening again
