Would you mind if I pretended we were somewhere
else,
Doing something we wanted to,
'Cause all this living makes me wanna do,
Is die because I can't live with you,
And you don't even care.
Would you mind if I pretended I was someone else,
With courage in love and war.
I use to think that's what I was,
But now this lying hurts to much,
And I don't know what for.

I'm weak in the knees for you,
But I'll stand if you want me to.
My legs are strong and I'll move on,
But hunny I'm weak, in the knees.

Ooooh,
Oooooohhh,

Would you mind if I walked over and I kissed your face,
Infront of all your friends.
Would you mind if I got drunk and said,
I wanna take you home to bed,
Oh would you change your mind?

I'm weak in the knees for you,
But I'll stand if you want me to.
My legs are strong, and I'll move on,
But hunny I'm weak, in the knees, for you

Ooooh for you,
Ooooh for you,
Ooooh for you,
Ooooh for you,
Ooooh for you,
Ooooh for you,
Ooooh for you

I'm weak in the knees for you,
But I'll stand if you want me to.
Oooooohhh

My legs are strong and I'll move on,
Hunny I'm weak in the knees

I'm weak in the knees for you,
But I'll stand if you want me to.
My legs are strong and I'll move on,
But hunny I'm weak
Ooooh,
Hunny I'm weak,
Oooohh,
Ooooh for you,
Ooooh for you,
Ooooh for you,
Ooooh for you
