I have these dreams I'm walking home  
Home where it used to be  
And everything is as it was  
Frozen in front of me

Here I stand six feet small  
Romanticizing years ago  
But it's a bittersweet feeling  
Hearing 'Wrapped Around Your Finger' on the radio

And these days I wish I was six again  
Oh, make me a red cape, I wanna be Superman  
Oh, if only my life was more like 1983  
All these things would be more like they were at the  
start of me  
Had it made in '83

Thinking about my brother Ben  
I miss him everyday  
Well he looks just like his brother John

And smiling cause I'm scared as hell  
Kinda like your life is like a sequel to a movie  
Where the actors' names have changed

Well, well these days I wish I was six again  
Oh, make me a red cape, I wanna be Superman  
Oh, if only my life was more like 1983  
All these things would be more like it were at the start  
of me  
If my life was more like 1983  
Plot a course to the source of the purest little part of me

And most my memories have escaped me  
Or confused themselves with dreams  
If Heaven's all they want it to be  
Send your prayers to me care of 1983

You can paint that house a rainbow of colors  
Rip out the floorboards

Replace the shutters  
But that's my plastic in the dirt

Whatever happened to my, whatever happened to my  
Whatever happened to my lunch box?  
When came the day that it got thrown away  
And don't you think I should have had some say in that  
decision?

If only my life  
If only my life  
If only my life  
...
