(Thompson)

This old house is falling down around my ears  
I'm drowning in a river of my tears  
When all my will is gone You hold me sway  
I need You at the dimming of the day

You pull me like the moon pulls on the tide  
You know just where I keep my better side  
(Uh-uh-uh) (uh-uh-uh) (uh-uh-uh-uh)

What days have come to keep us far apart  
A broken promise or a broken heart  
Now all the bonny birds have wheeled away

I need You at the dimming of the day

Come the night You're only what I want  
Come the night You could be my confidante  
(Uh-uh-uh) (uh-uh-uh) (uh-uh-uh-uh)

I see You in the street in company  
Why don't You come and ease You mind with me  
I'm living for the night we steal away  
I need You at the dimming of the day  
I need You at the dimming of the day
