Remember that night  
White stairs in the moonlight

They walked here, too  
Through empty playground  
This ghosts town

Children again on rusty swings  
Getting higher

Sharing a dream  
On an island  
It felt right

We lay side by side  
Between the moon and the tide  
Mapping the stars for awhile

Let the night surround you  
We're halfway to the stars  
Ebb and flow, let it go  
Feel the warmth beside you

(1st solo)

Remember that night  
The warmth and the laughter  
Candles burn  
Though the church was deserted

At dawn we went down  
Through empty streets to the harbor  
Dreamers may leave  
But they're here ever after

Da, da, da, da (Da, da, da, da)  
Da, da, da, da (Da, da, da, da)  
Da, da, da, da, da, da

Let the night surround you  
We're halfway to the stars  
Ebb and flow, let it go

Feel the warmth beside you...

(2nd solo to fade)
