Dance, to the movement of the stars  
Sing till the walls around us ring  
Pray that it never fades away  
Until we sleep

Feast, go ahead now, take your fill  
Drink, till the room begins to sway  
Play, and your cares will blow away  
Until we sleep  
Into a deep and dreamless sleep our spirits fall

And what we sow we cannot reap nor keep at all

Work, though the work will break your back  
Rest, hope to feel your spirits rise  
But the years, have cut you down to size  
Now go to sleep  
Into a deep and dreamless sleep our spirits fall  
And what we sow we cannot reap nor keep at all
