It's raining down but it doesn't matters to me  
I'm coming down by my glittering motorcar  
Waiting for the best guest I can have  
So I walk sprightly, capering on the street.

A big umbrella spinning over my head  
If I was naked would not be a serious problem  
Waiting for a very special guest  
I caper smiling by the street  
ON A TRIVIAL SUMMER DAY,  
ON MY TRIVIAL SUMMER DAY..

There's something moving, something strange in the  
sky  
My pretty angel comes and glides on me  
He took a peach-polka dot bathing suit  
Into the car, ready to drive to the sea  
I put on me my pink-white glasses  
Get a bubble, ready to drive to the sea  
So put on me my pink-white spectacles  
Drink a cocktail fast squirt away!!

ON A TRIVIAL SUMMER DAY  
ON A TRIVIAL SUMMER DAY  
ON MY TRIVIAL SUMMER DAY!  
ON MY TRIVIAL SUMMER DAY!  
On a trivial summer day  
On a trivial summer day  
ON MY TRIVIAL SUMMER DAY!!  
ON MY TRIVIAL SUMMER DAY.
