And I was walking, through the night, and I was
dressed, of violet
And you found me, in the woods, and you said to me,
I'll stay ouh!

And I was walking, through the trees, and I was
searching, the fresh lake,
Wanted to slide down, my tight dress, but you found
me, under the moon,
And you said to me I'll stay in ... you!!

LET'S STAY! LET'S STAY! LET'S STAY! LET'S STAY! LET'S
STAY...

"I WANNA STAY.." YOU SAID, I WANNA STAY...

And I was walking, through the night, and I was
searching, the lake where
I could wash out, the signs of you, but you found me
and started your... game!

So he found me, through the trees, to make me work
for him, the man!
He'll take away, I know, my tidy dress, put on me HIS...
BIG SPECTACLE!!
But I don't wanna play this lover-game!!...
AAAAAH AAAAAH AAAAAH AAAAAH AAAAAH AAAAAH
AAAAAH!!!

So U take me to the lake, wanna give me what you
think,
But I don't know if I agree for what you give me don't
know.. do I let you?!

LET'S STAY! LET'S STAY! LET'S STAY! LET'S STAY! LET'S
STAY!....

I DONT'KNOW IF I WANT IT

I DON'T KNOW IF I WANT IT
