"Fool On The Hill"

Visit "[Fool On The Hill](#)" on MotoLyrics.com

Day after day alone on the hill
The man with the foolish grin is keeping perfectly still
But nobody wants to know him, they can see that he's
just a fool
And he never gives an answer but the fool on the hill

Sees the sun going down
And the eyes in his head
See the world spinning 'round

Well on his way his head in a cloud
The man of a thousand voices talking perfectly loud
But nobody ever hears him or the sounds he appears to
make
And he never seems to notice but the fool on the hill

Sees the sun going down
And the eyes in his head
See the world spinning 'round

And nobody seems to like him
They can tell what he wants to do
And he never shows his feelings
But the fool on the hill

Sees the sun going down
And the eyes in his head
See the world spinning 'round
