Artist: Dr. Dre & Ice Cube

[Dr. Dre]

Journey with me

Into the mind of a maniac

Doomed to be a killer

Since I came out the nutsac

I'm in a murderous mindsate

With a heart full of terror

I see the devil in the mirror

BUCK BUCK, Lights out

Cause when I get my sawed off

Niggaz get hauled off (Ice Cube: haha barrel one)

Touches your motherfuckin flesh (Ice Cube: barrel two)

Shoots your fuckin heart out your chest

You see I'm quick to let the hammer go click

On my Tec-9 so if you try to reck mine

Fool it's your bad time

Feel the blast of the chocolate bomber

Infra red aimed at your head

Like your name was Sarah Conner

Decapitatin I ain't hesitatin

To put you in the funderal home

With a bullet in your dome

I'm hot like lava

You got a problem?

I got a problem solver

And his name is revolver

It's like a deadly game of freeze tag

I touch you with a 44 mag

And your frozen inside a boddy bag

Nobody iller

Than this graveyard filler

Cap peeler

Cause I'm a Natural Born Killa

[Ice Cube]

Terror illustrates my era

Now I can't hang around my momma

Cause I scare her

I'm quick to blast motherfucker

(Dr. Dre: yeah what's up)

It feels like I'm bustin a nut
When I open you up
Cause your body is exposed to the midnight mist
All you weak motherfuckers give my ring a kiss
Cause I'm givin dirt naps
Comin with them bomb ass raps
To make your lungs collapse
Perhaps, you never sleep
Cause evertime you doze
You catch blows to the motherfuckin nose
Ain't seen the sun, in 66 days
Let me count the ways in a fucked up maze
I never ever ever made a hoe stay
But I'm down with Dre
Like AC is down with OJ
So fuck how your livin
I'm the unforgivin
Psycho drivin
Murdera
It's authentic
Don't panic
I can't stand it
God Damn it
Scizophrenic
So fuck Charlie Manson
I'll snatch him out of his truck
Hit 'em with a brick
And I'm dancin

[RBX]

Mass Murderer, Natural Born Killla,
And I don't wanna die
I DON'T WANNA DIE
I DON'T WANNA
I DON'T WANNAAAAAAAAAAAAAAAAAAAAAAAAAAAAA DIE!

[Ice Cube]

I don't understand the logic in my dreams
But I understand I like the sound of Sireens
Terrified screams from the streams
Of Strycnine
Dumpin on any motherfucker tryin to trick mine
Cause motherfuckers wanna violate
Now they stiff and cold
And they pupils won't dialate
IT'S SO MUCH PAIN
MIGRAINE
Headache
I can hear his bones break
He steps in the single door
Gets his ass whipped with 20 lashes

Like that dude up in Singapore
So I'm a pull a fuckin Jeffrey Dahmer
Now I'm suicidal, just like Nirvana

[Dr. Dre]

Tic Toc

Toc Tic Toc Tic

Dr. Dre and Ice Cube on some murderous shit

Keepin niggaz in order

Makin there live shorter

Ready to slaughter

Cause to me a life ain't worth a quarter

Or a dime

Mushroom's got my mind

Hallicinatin

Ain't no debatin

I'm creatin an escape

Route to be out without a doubt

Scot Free, so don't even think about tryin to stop me

Cause I can't wait

I'm out the gate

On the for realla

A thrilla

Or a Natural Born Killa

[Ice Cube]

Gi-Gi Gi-Gi Ga-Ga

They call me Da-Da

6 million ways to murder

Choose one

Lose one soul

Bodies turn cold

Natural fright from niggaz goin bump in the night

Should I peely

Should I kill her in my iller

Then a Natural Born Killa

repeats 3x
