[Dr. Dre]

Huh, so I'm out the game huh?

[Eminem]

Yo Dre, we ridin?

[Dr. Dre]

Whatever

[Eminem]

Well I'm witchu homie

[Dr. Dre]

Ok, Let's handle this muhfucker

[Eminem]

I was born to brew up storms 'n stir up shit  
Kick up dust, cuss til I slur up spit  
Grew up too quickly been through too much shit  
Corrupt and now they pour it on like syrup, bitch  
Thick in gritz, sick and twisted Mr. Buttersworth  
Dre tole me to milk this shit for what it's worth  
Till the cow just tilts and tips 'n stumbles to earth  
And if I fumble the verse, keep going  
First take, I make mistakes, just keep it  
No punches, pull no punches, that's weak shit  
Fake shit if I ever take shit, I eat shit  
Was it for him? Wouldn't be shit

[Dr. Dre]

Creep wit me, as we take a little trip down Memory Lane  
Been in longer than anyone in the game  
And I ain't got to lie about my age

[Eminem]

But what about Jermaine?

[Dr. Dre]

Fuck Jermaine, he don't belong speakin mine or  
Timbaland's name  
And don't think

I don't read your little interviews and see what your sayin  
I'ma giant, and I ain't gotta move till I'm revoked  
When I see you, I'ma step on you and not even know it  
Ya midget, Mini-Me, with a buncha little Mini-You's  
Runnin around your backyard swimming pools  
Over 80 million records sold  
And I ain't had to do it with 10 or 11 year olds

[Eminem]

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

[Eminem]

Second verse, it gets worst  
It gets no better than this  
Amatuers drink veteran piss  
From a Dixie cup, if you ever mix me up  
Or confuse me with a Canibus or Dre with a Dupri  
Will rub it in, every club your in, we'll have you  
Blackballed and make sure you never rap a fucken  
again  
Dre ain't havin it as long as Im here, play Devil's  
Advocate

[Dr. Dre]

If there was some magic shit I could wave  
Over the indusrty that could save it when I'm gone  
And bury to make sure the tradition carries on  
I would

[Eminem]

If I could only use this power for good  
I wouldn't, not even if I could

[Dr. Dre]

From the hood and I'm a hornet  
And I'ma only sting when I'm cornered

[Eminem]

And I'ma only sucker punch or swing without warnin  
And swing to knock somebody's fuckin head off  
Cuz I know, when they get up, I won't get a chance to let  
off

Another punch, I'm punk-rock, no one's punk  
Don't give a fuck, white pop, so much spunk  
When I was little I knew I would blow up  
And sell a mil or grow up to be a tiller  
Go nuts and be a killer

[Dr. Dre]

And I'm somethin of a phenom  
One puff of the chron  
I'm unstoppable, I'm alive, I'm on top again  
There's no obstacle that I can't conquer  
So come along with us (Come On)

[Eminem]

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

[Dr. Dre]

Now anybody who knows Dre  
Knows I'm about fast cars and alazey, partyin all day  
But I handle my business cuz it's work before play  
Don't look for trouble but I serve you gourmet  
However you want it, you could have it your way  
You fuck my night up, I'ma fuck up your day  
Bullet with your name, sendin it your way  
That goes for anyone who walks thru that doorway  
Cuz this is my space, you invade it  
Live to regret it and you die tryin to violate it  
Fuck around and you'll get anahilated  
Eyes diliated

[Eminem]

Ha, like my old lady  
Cuz what you say is what you say  
Sometimes what you mean is 2 different things  
Depending on your mood, if it swings, think too many  
things  
Little hit of Dre's weed, I can do anything  
Catch a contact, then I'm gone and I'm back  
I speed write and my loose leaves my lanch pad

[Dr. Dre]

And I can pull any string  
Don't have to prove anything

Catch a contract on your head  
You headed West, talk shit about Dre?  
You better get a vest, then invest in something  
To protect your head and neck

[Eminem]

And it's back and forth all day like Red and Meth  
I joke when I say I'm the best in the booth  
But a lot of truth is said in jest  
And if I ever do live to be a legend  
I'ma die a sudden death, 5 mics in The Source  
Ain't holdin' my fuckin' breath  
But I suffocate for the respect  
Fore I breath the collect the fuckin' check

[Eminem]

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

Cuz what you say is what you say  
Say what you say how you say it whenever you sayin it  
Just remember how you said it when you was sprayin it  
So who you playin with huh huh huh huh?

[Dr. Dre]

Watch your fuckin' mouth

[Timbaland]

Yo this Timbaland, tell him I said suck (\*tchka\*) my  
dick
