Oh, when I'm in my bubbly tub  
A funny thing happens to me when I scrub  
I splash and I wash and then it comes along  
And soon I'm a'gigglin' and a'singin' this song

Oh a bubble on my snuffle  
While I'm taking my bath  
A bubble on my snuffle  
Is making me laugh  
Ha, ha, ha, ha  
Ho, ho, he  
A bubble on my snuffle  
Is tickling me  
I said, a bubble on my snuffle  
Is tickling me

It's the silliest sight you've ever seen  
When a snuffleupagus is gettin' clean  
No bath is better, I suppose  
Then when there's a bubble on the end of your nose!

Yeah, a bubble on my snuffle  
While I'm taking my bath  
A bubble on my snuffle  
Is making me laugh  
Ha, ha, ha, ha  
Ho, ho, he  
A bubble on my snuffle  
Is tickling me  
I said, a bubble on my snuffle  
Is tickling me
