Bert: [Ernie! Ernie! I've discovered something
FANTASTIC! Listen ... (CLINK)]

Ernie: That's fantastic, Bert!

Bert: Yeah, yeah! That's ME hitting this tin can with a
spoon. And listen, this is .. this is me hitting this pan
with a spoon ... (CLANK) *pleasant sigh*

Ernie: Well, that's very interesting, Bert ..

Bert: Yeah. Now, I shake the tin can .. (RATTLE) .. you
see, it's got MARBLES inside!

Ernie: Uh-huh, yeah, that's nice ..

Bert: Yeah, yeah, and then I blow this WHISTLE!
(TWEET) Oh, Ernie! It's so wild! So wonderful!

Ernie: Gee, that doesn't seem so wonderful to me,
Bert.

Bert: Well, maybe not but listen to what happens when I
put them all together, Ernie ..

(CLINK, CLANK, RATTLE, TWEET)

Bert: *pleasant sigh*

Ernie: Say, that sounds pretty nice, Bert!

Bert: NICE? Ernie, it's breathtaking! Hey -- now
everyone at home, go get a can, or a pan, or a whistle,
or -- or whatever you can find, and you can join in too.

Ernie: Join in? Join in on what, Bert?

Bert: Well, you'll see Ernie, and I'll tell you what
happened too. See --]

Bert: See, I was sitting around

Feeling so blue,
Trying to think what to
Think to do
Then--(CLINK, CLANK, RATTLE, TWEET)--
I suddenly heard something new.

I was sitting around
Trying to sleep
Practicing counting by
Counting sheep
When--(CLINK, CLANK, RATTLE, TWEET)--
I knew I had found something new.

It was just the water pipe when the faucet got turned
on,
But it lightened up my life like a nightingale's sweet
song!

And now I'm happy with my can and my pan
My whistle or two
'Cause now I know
What I just gotta do;
I go (CLINK, CLANK, RATTLE, TWEET)
And the sky is all sunny and blue,
And (CLINK, CLANK, RATTLE, TWEET)
I bet it'll do it for you!

Ernie: [Gee, that's nice, Bert! Hey--can I join in?

Bert: Ernie, everybody can join in! Kids at home too.
Ready? Here it comes...

(CLINK, CLANK, RATTLE, HONK!)

Bert: AAAAhhh! Ernie, you ruined it!

Ernie: Well, I couldn't find a whistle, Bert!

Bert: Well, this time you rattle and I'll tweet.

Ernie: Okay, Bert! (HONK!)

Bert: ERNIE!

Ernie: I just had to put it down, Bert.

Bert: Well, control yourself, huh?

Ernie: Here we go ..

(CLINK, CLANK, RATTLE, TWEET)

Ernie: There, I did it!]

Bert: *pleasant sigh*

It was just the water pipe when the faucet got turned
on,
But it lightened up my life like a nightingale's sweet
song

And now I'm happy with my can and my pan
(HONK!) My whistle or two (Ernie!) (Sorry ..)
Now I know what I just got to do;
I go (CLINK, CLANK, RATTLE TWEET)
And the sky is all sunny and blue,
And (CLINK, CLANK, RATTLE, TWEET)
I bet it'll do it for you!
Once more! -- (CLINK, CLANK, RATTLE, TWEET)
And again! -- (CLINK, CLANK, RATTLE, TWEET)
One last time! -- (CLINK, CLANK, RATTLE, TWEET)
I bet it'll do it for you! (TWEET!)

Bert: [It did it for me, I'll tell ya.]

Ernie: (HONK!)
