Dee, dee-dee, dee-dee, dee-dee, dee-dee, dee-dee,
doggy;
Dee-dee, dangerous dragon;
Dee-dee, dee-dee, donkey, duckie,
Dinosaur.

Oh, dee, dee-dee, dee-dee, dee-dee, dee-dee, dee-
dee, dinner;
Dee-dee, dee-dee, De-licious;
Dee-dee, dee-dee, dee, don't drop dishes
Down on the floor.

Oh, do a dance.
Dig some dirt.
Dunk a doughnut for dessert.
Draw a daisy that's dee-de-lightful to see.
When "D" is handy, it's fine and dandy.

Dee, dee-dee, dee,
"D" is such a very nice letter.
Each day I like it better,
That lovely letter called "D!"

(dialogue)

Draw a daisy that's dee, de-lightful to see.
When "D" is handy, it's fine and dandy.

Dee, dee-dee, dee,
"D" is such a very nice letter.
Each day I like it better,
That lovely letter called "D,"
Dee-dee, dee, having fun,
But now I'm dee, dee, dee, done!
