(the Number One of the Eurovision Song Concept 2003)  
(TURKEY's song)

I feel you're moving on a different cause  
Makin'a way for a distant course  
You say you love me and you roll your eyes  
Turn to stare at the empty skies

I thought it was over and we passed all that  
All we've done is to pass back to frame number one  
C'mon now now  
I wanna show you all again what it would be like  
Just let go and let me love you

[Chorus]  
Every way that I can  
I'll try to make you love me again  
Every way that I can  
I'll give you all my love and then  
Every way that I can  
I'll cry ; I'll die and make you mine again

Hold me closer oh so good  
You make me feel just like I should  
I know whatcha thinkin' huh-huh good  
Now, the rest of the world is overruled

Tell me whatcha see in other girls all around  
Come on closer and tell me whatcha don't find here  
Come on now now  
I wanna give you everything you've been missin' out  
Just let go and let me love you

[Chorus]  
Every way that I can  
I'll try to make you love me again  
Every way that I can  
I'll give you all my love and then  
Every way that I can  
I'll cry ; I'll die and make you mine again

I'm in love with you  
I'll do all you want me to

Make me wanna huh-huh  
Make me wanna huh-huh  
Nothing in the world  
That could stop me no sir  
No no no

[Chorus]

Every way that I can  
I'll try to make you love me again  
Every way that I can  
I'll give you all my love and then  
Every way that I can  
I'll cry ; I'll die and make you mine again
