Oh what's the remedy,  
It's obvious that your checking me  
What's the possibility, oh oh

That we could get it hot like fire,  
If we could just play for a while  
Oh baby make a girl go wild, oh oh

You're on my vibeology  
It drains all my energy  
Tell me what it will be  
Ooooooh  
Ooh

Every time you're close to me  
I can't find the room to breathe  
This is what I need  
'Cuz tohingt you got me like oh!  
I need to feel you all around  
That's all I desire now  
Ooooooh!  
You got me like oh oh  
You got me like oh oh

Oh now, now what is this  
From my toes to my finger tips  
Make it quick for me to get my fix, oh oh

All shook up, by the way I feel  
Got me stuck, don't know how to deal  
It's hard for me to conceal oh oh

You're on my vibeology,  
It drains all my energy  
Tell me what it will be  
Ooooooh  
Ooh

Don't let it stop, don't make me wait  
Boy make it hot, got me like oh  
Hands on my hips, feelin' your way  
Baby your kiss, got me like oh
