Something calling from deep inside me,
A voice I knew but I could not hear.
For so long I have tried to hide me,
Couldn't see that you were so near.

You know me,
You show me,
Everything that I really am and,
You save me,
You gave me strength enough to say.

Here I am
Ready for your love
Here I am
I'll never run away
I have made my connection,
Seen my reflection in you.
So here I am.

Living under a lonely shadow,
I have seen from the other side.
Hope will shine from a single candle,
Leaving all of the pain behind.

It's our way,
A new day,
Living in the here and now and,
Believing,
I'm feeling strong enough to say.

Here I am
Ready for your love
Here I am
I'll never run away

I have made my connection,
Seen my reflection in you.
So here I am.

Never leave me,
You complete me.
I finally know who I love,

I love you
I love you

Here I aaaaaaaaaam,
(Calling from deep inside me,
reaching out for my hand)
Here I aaaaaaaaaam,
(Coming from deep inside me,
knowing that who I am)

Here I am
Ready for you love
Here I am
I'll never run away
I have made my connection,
Seen my reflection in you,

Finally here I aaaaaaaam.
(Calling from deep inside me,
reaching out for my hand)
Here I aaaaaaaaaam,
(Coming from deep inside me,
knowing that who I am)
I aaaaaaaaaaaaaam.

I have made my connection,
Seen my reflection in you,
So here I am.
