"Waiting For You"

Visit "[Waiting For You](#)" on MotoLyrics.com

Come into my arms and I will give you rest
Will you trust me with your whole life?
Will you go into the place that I call you to be
and wait until I supply?

Only there will you find joy
Only there will you find me.

Here I am. I'm waiting for you
I'm waiting for the day when you see light
Here I am, you're never alone
Wherever you go, I am here
Trust me with your life.

I will take away the pain you hide and fill it with my love
Will you ever begin to see the reasons why you are
here
and take a leap of faith into the arms of me?
