Take your brush and gently dip it  
Be careful not to drip it  
Wet paint  
( background singing cows "wet paint,wet paint")

Wet your roller then you roll it  
Calmly cooly you control it  
Wet paint  
( wet paint, wet paint)

Red and green and yellow too  
Purple pink and baby blue  
Wet paint  
( wet paint, wet paint )

You pour it in a bucket  
You mush it all around  
You take a mop and mop it  
Oh you slather it and slop it  
But be careful not to drop it  
On the cold cold ground

Wet paint, wet paint  
Wet paint, wet paint

Drippy, lumpy, gushy, gloppy  
Smeary, smelly, slippery, sloppy  
Wet paint  
( wet paint, wet paint )

Squishy, squashy, muddy, mushy  
Sticky, slimy, slurpy, slushy  
Wet paint  
( wet paint, wet paint )

Smear it, roll it, throw it, brush it  
Squish it, splash it, crunch and crush it  
Wet paint  
( wet paint, wet paint )

You pour it in a bucket

You mosh it all around  
You take a mop and mop it  
Oh you slather it and slop it  
But be careful not to drop it  
On the cold cold ground

Wet paint, wet paint  
You know I'm crazy 'bout wet paint  
( wet paint, wet paint )  
Can't get enough of wet paint  
( wet paint, wet paint )
