[Intro:]

Run, run, run away, Run, run, run away  
Run, run, run away, Run, run, run, away  
If that dude gets in front of me, Run, run, run, away  
Run, run, run away...

[Chorus 1:]

Girlfriend trying to act cute but you're not  
Lying to me you're gonna get caught  
Cause you were at the spot last night when you said  
you were at home  
Chris has a camera on his phone  
And even last week he told me you went home with a  
scrub  
Cause Chris is the owner of the club

[Verse 1:]

I've been out of town,  
The windows down,  
I'm driving back, and I can't wait to  
See you there, see you there,  
I'll be there by dawn's new light  
And I'm so high, late night summer drive  
[phone rings]  
Chris what's up  
"I'm at the club and guess what"  
He told me that he  
Sees you there, sees you there,  
Picture's worth a thousand lies  
And I already have problems with that guy!

[Chorus 2:]

Girlfriend trying to act cute but you're not  
Lying to me you're gonna get caught  
Cause you were getting hot last night when you said  
you were alone  
Chris has a camera on his phone  
And even last week he told me you went home with a  
scrub  
Cause Chris is the owner of the club

[Verse 2:]

Anything at all,

But never this,  
I never thought, I never want to  
See you now, see you now,  
See if I believe you now  
When you've messed up my heart  
Driving faster and faster in my car  
Cause I'm driving through the night  
Another place, another time,  
And maybe I could reason what you were in my life  
But girl I'm so high  
And I already have problems with that guy!

[Bridge:]

If that dude gets in front of me, Run, run, run away  
Run, run, run away, Run, run, run, away  
If that dude gets in front of me, Run, run, run away  
Run, run, run away, Run, run, run, away!

[Chorus 3:]

Girlfriend calling me 5 in the night  
What'sup girl your game's tight  
Cause you were with that guy last night when you said  
you were alone  
Chris called when I was coming home  
And then he told me that he sees you two a lot  
He owns a couple clubs on the block  
Oh girl that's the end, I'm just so glad Chris is my  
friend

Girlfriend trying to act cute but you're not  
Lying to me you're gonna get caught  
Cause you were at the spot last night when you said  
you were at home  
Chris has a camera on his phone  
And even last week he told me you went home with a  
scrub  
Cause Chris is the owner of the club
