[Verse 1:]

Girl you're creepin' around me
And I know
You're sleepin' without me
I saw you through his window
Tonight is just another time, another time, another
timeÂ...
I can't wait to be without you!

[Chorus 1:]

Cause when you're gone
I don't tell you what I do girl
When you're gone
I'm creepin' with your whole crew girl
Baby, baby, baby
Keep creepin' on too
Cause when you're gone
You know I'm creepin' on you

[Verse 2:]

Girl there're so many people
In this world
There's nothing special about you
You're just another girl
I used to think I wanted nobody else, nobody else but
you
But I can play your game too

[Chorus 2:]

Cause when you're gone
I don't tell you what I do girl
When you're gone

Creepin' on me, I'm creepin' on you girl
When everything was right you made things wrong
You're all I ever wanted but you're gone
Baby, baby keep creepin' on

[Bridge:]

[Soulful humming]

[Chorus 3:]

When you're gone
I don't tell you what I do girl
When you're gone
I'm creepin' with your whole crew girl
When you're gone
I don't tell you what I do girl
When you're gone
Creepin' on me, I'm creepin' on you girl
When everything was right you made things wrong
You're all I ever wanted but you're gone
When everything was right you made things wrong
You're all I ever wanted but you're gone
When everything was right you made things wrong
You're all I ever wanted but you're gone
Baby, baby keep creepin' on!
